

## **Community And Airport Partnership for Safe Operations**

### **WHO ARE WE?**

- ✧ Not for profit 501(c)(3) organization, with diversified members including the local community, businesses, SJSU University, pilots, tenants, and anyone interested in promoting aviation education

### **WHAT DO WE STAND FOR?**

- ✧ Promote and preserve safe and efficient operations at the airport to the benefit of the community
- ✧ Advance public understanding and interest in the beneficial use and utilization of the airport's resources through educational and social means
- ✧ Engage local community in aviation education
- ✧ Represent the aviation community with local authorities and the Federal Aviation Authority
- ✧ Provide a means to aviation-interested parties to network within the community

**CAAPSO**

**Community And Airport Partnership for Safe Operations**

## **WHAT ARE THE BENEFITS OF SANTA CLARA COUNTY AIRPORTS?**

- ✧ Both county airports serve a critical role in disaster relief and are home to Civil Air Patrol and Cal Fire operations
- ✧ Reid-Hillview is the new home of San Jose State University Aviation Program, with 250+ students!
- ✧ Community based activities and charitable programs such as Young Eagles, Angel Flights, and Pilots n Paws are hosted at the airport!
- ✧ Reid Hillview is a federally designated reliever for San Jose International, enabling its safe and rapid expansion to 12.5 million passengers flown annually!

**Come join us at our next general members meeting on March 22!**
