

① Please provide some perspective in your report. Specifically, how much funding has Palo Alto, ^{airport} secured in the last ten years of federal airport grant money? How much has our county airports applied for & received? Year-by-year table analysis.

② We've heard about the issues with restoring the current terminal building to a restaurant. Several local airports (KPAO, KSQL, KHWD) all have sustainable restaurants. Some have more than one (KSQL). What has our county management employees done to research new building construction incentives instead of renovating the terminal upper floor?

- ③. Where else in the Bay Area or East side San Jose area can residents have the opportunity to learn blue & color trades of skill? These jobs pay more than the service-level jobs held by many East side residents. Investigate a partnership between ^{aviation} maintenance facilities, SJSU, & employers for an apprenticeship program to support Career Technical Education? What about partnering with local community colleges?
- ④. Where are the notes from the previous public meeting?
- ⑤. Why weren't airport tenants emailed about this meeting? The failure of airport managements →
