

# Schedule of Fees and Charges for Santa Clara County Airports

On each July first of every year, all rates in Section A. "County Based Aircraft", Section B. "Non-Based Aircraft" and Section C. "Other Charges" for the ensuing twelve (12) months shall be adjusted upward in the same percentage proportion that the Consumer Price Index of the San Francisco-Oakland area of the United States Department of Labor, Bureau of Labor Statistics, increases over the Consumer Price Index of December 2014. In the case of a CPI decrease the rates will remain the same.

All fees are rounded to the nearest fifty cents (\$.50).

All aircraft weights referenced in this document are defined by the aircraft manufacture and/or the Federal Aviation Administration (FAA) as the certified maximum gross take-off weight.
