County of Santa Clara Hosts Public Meeting on Reid-Hillview Airport Business Plan Update

WHAT:

The County of Santa Clara Roads and Airports Department is hosting a public meeting to discuss the process for updating the business plan for the Reid-Hillview Airport, and to seek feedback from airport users, surrounding neighbors and the public. The department held a public meeting on Jan. 25 for the San Martin Airport Business Plan update.

WHO:

Harry Freitas, Director, County of Santa Clara Roads and Airports Department
Eric Peterson, Director, County Airports
County Airports' staff
Community members

WHEN AND WHERE:

March 1, 2018, 6:30 P.M. – 8:30 P.M.

Reid-Hillview Airport Public Meeting

Location: Donald Meyer Elementary School, 1824 Daytona Drive, San Jose, CA 95122

WHY:

The current airport business plans were published in 2006 and, since that time, many changes have occurred including the divestiture of Palo Alto Airport. The Reid-Hillview and San Martin Airports business plans will be updated to assist in making long-term funding decisions. Once the process begins, it will take approximately four to six months to finalize the plans, which would then be presented to the County of Santa Clara Board of Supervisors for approval.

For more information, visit www.countyairports.org or view the current business plans in chapter 6 of the master plans:
