

29 MAY 1969

Mr. R. H. Mehrkens, Chairman
Board of Supervisors
County of Santa Clara
20 West Hedding Street
San Jose, California 95110

Dear Mr. Mehrkens:

We regret to inform you that the request for aid to develop South County Airport was not included in the 1970 Federal-aid Airport Program just announced by this agency.

The fact that the development you requested was not a part of the approved program should not be taken as an indication that the work is not needed. With the limited Federal funds available, only a relatively small percentage of the requested development could be reached for programming.

We recognize the benefits which would accrue from accomplishment of the proposed work and hope that you can find a means of proceeding with the improvements in order to keep stride with the ever expanding demands of civil aviation.

Sincerely,
