

TRANSMITTAL MEMORANDUM

DEPARTMENT OF PUBLIC WORKS

DATE: June 9, 1967

FOR: BOARD OF SUPERVISORS AGENDA OF June 19, 19 67

FROM: Dooley, Building Design Division, Department of Public Works

TITLE: Request for amendment to Reid-Hillview Airport 05 Project

DESCRIPTION:

The Federal government has recently relaxed policies on inclusion of airport lighting projects within F.A.A. participating programs and if this amendment is approved the County will receive approximately \$10,000 towards the ramp lighting improvements at Reid-Hillview Airport.

This ramp lighting is presently entirely County funded under the 1966-67 budget.

Recommend that the Board of Supervisors authorize the Chairman to execute this request for project modification.

Burlingame, California 94010

Subject: Reid Hillview Airport 05 Project

Dear Mr. Hand:

It is requested that the tentative allocation for the subject project be amended to include the cost of the ramp lighting indicated on the "Request for Aid" submission. It is understood that restrictions on this type of improvement have been cancelled and projects are now eligible for Federal participation.

The estimated cost is as follows:

9 each Poles with fixtures	@ \$1,100 each	\$ 9,900
2,600 l. f. Conduit, cable & pull boxes	@ 2.20	5,700
3,000 s. f. Trench resurfacing	@ 0.40	<u>1,200</u>
Subtotal		\$16,800
Eng., Inspec. & Contingencies		<u>3,200</u>
TOTAL ESTIMATED COST		\$20,000

Funds in the amount of \$12,000 are available in the Airport Construction Fund to provide the County share of the project.

Very truly yours,

CHAIRMAN, BOARD OF SUPERVISORS
